## Community Connection

The February Community Service Outreach will be to collect hygiene items for the Hand Up for Women outreach ministry. Hand Up for Women is a life-management and career-readiness ministry that brings dignity, self-confidence and hope to women who might otherwise remain trapped in addiction, abuse, poverty, and despair. We provide long-term, healthy friendships, and a year-long series of twice-weekly classes that teach women to realize their full potential in every area of life. Because of the long-term investment in their lives made by all those involved in Hand UP for Women, participants find and own the personal strength and courage to achieve self-reliance helping them become who God created them to be.

Find out more about Hand Up for Women. Use your phone's camera to scan the QR code to watch a video of women whose lives have been changed by this ministry.
